

Accommodation Options for 2025 BWT Finals

The Bodysurfing World Tour Finals competition will be mobile across the Sunshine Coast (Caloundra to Coolum) however all of the social events will be based around, or start from, Coolum. Also, in the three days prior to the Finals, the annual Coolum Wedge Bodysurfing Festival will be held at Coolum Beach. This event is Australia's biggest bodysurfing event, and is based around age divisions and is open to all competitors (in case some of you wanted some warm-up heats before the Finals).

It is recommended that you find accommodation in, or close to, Coolum (Coolum or Coolum Bays are the closest locations). Here are some options:

Coolum Caprice – this is perhaps the premier apartment complex in Coolum. They also have offered a discount for the period, 10% discount on 3+ nights using code WEDGE and 15% discount for 7+ nights using code BODYSURE. They have mostly two-bedroom apartments.

The local Coolum Backpackers offers budget accommodation

<https://coolummotel.com.au/>

There are multiple others that are listed on booking accommodation websites, e.g. booking.com

Another great option for groups of people is to rent an entire house, Australians are quite accustomed to doing this so there will be a good number of options

There is a caravan park that is located right next to where the Coolum Wedge competition is run. There are some cabins for rent there, but they are basic and about the same price as apartment rentals.
